- Our mission is to connect Colorado's high school art students with Colorado's college and university art programs as they prepare for careers in creative industries.
- Student Registration fee: \$10.00 per student.
- Students register -OR- Teachers register students online at www.caeaco.org
- 8 hours CE Credit for participating teachers.

Block sessions are organized for students to connect with Colorado's colleges and universities and contain the following information.

1. Artmaking

Colleges will engage in hands-on art making and use time for individually connecting with students.

2. Presentations about Building Portfolios for Application Process

Students will learn about what universities look for in the preparation of an art portfolio.

3. College Presentations and Q&A

Students will learn about your college admission requirements, application processes, specific art department programs and information, and what makes student life unique at each school.

Open Information Tables

Information tables will be manned throughout the day. Students will have time to visit tables during the lunch hour. Tables will provide students any information necessary for student education and recruitment.
